This is a contract between Alcala Pet Care Center (APCC), a pet care facility, and the pet owner whose signature appears below (hereinafter called "Owner") for boarding Owner's "pet". (The term "pet" refers to all pets boarding with the same ownership).

1. Owner agrees to pay the rate of boarding in effect on the date pet is checked into APCC. Owner further, agrees to pay all costs and charges for special services requested by Owner or owner's agents.  
Payment may be made by Cash, Personal check, Visa, MasterCard or Travelers checks. All charges are due on or before the date the pet is to be picked up.
2. Owner further agrees that the pet shall not leave APCC until and accrued charges are paid.

3. **ABANDONMENT/NON PAYMENT of CHARGES:**

All charges become due on the date the pet is to be picked up. The scheduled pet pick up date may only be extended upon advance payment of all charges for the extended boarding period. APCC shall have, and is hereby granted, a lien on the pet for any and all unpaid charges resulting from caring for pet at the facility. Owner agrees in the event charges are not paid within ten (10) days after they become due in accordance with this contract, APCC may: (1) exercise its lien rights by selling the pet to satisfy such lien and costs of sale at public auction; (2) deliver pet to the Humane Society for disposition; (3) wait an additional four (4) days and then declare the pet abandoned under California Civil Code section 1834.5 (under Civil Code section 1834.5, a pet declared abandoned may be humanely destroyed if a new owner cannot be found for that pet after 10 days). Owner specifically waives all statutory and legal rights to the contrary.

Regardless of which of the above remedies APCC, in its sole discretion, elects to pursue, Owner shall remain liable for all boarding fees. Should APCC elect to sell the pet, any sale proceeds over and above the charges due and costs of sale shall be paid to the owner.

4. **REASONABLE CARE AND LIABILITY:**

APCC shall exercise reasonable care toward the respective pet delivered by the Owner for boarding. Owner acknowledges that Owner is aware of and accepts the standard of care used by APCC for the care and boarding pets. Owner expressly agrees that APCC's liability for negligence hereunder shall in no event exceed the lesser of the current chattel value or a pet of the same species or the sum of \$400.00 per animal boarded.

APCC specifically requires all pets be vaccinated against communicable diseases prior to boarding. APCC reserves the right to refuse admittance to any pet which shows signs of illness. Despite these precautions, Owner acknowledges that Owner's pet will be exposed to other pets during boarding, and understands that any pet, may harbor and spread a communicable disease. Owner agrees to hold APCC, harmless against any and all loss, damages or claims in the event Owner's pet contracts a communicable disease during boarding.

**5. MEDICAL TREATMENTS:**

The Owner represents that pet is healthy and has not been exposed to any known communicable diseases within a thirty day period prior to boarding. The Owner shall disclose elsewhere on this contract all known medical conditions and/or behavior problems which may affect the pet's care. It is the Owner's responsibility to inform APCC of any changes in the pet's condition for all subsequent boarding stays. If the state of the pet's health requires medical attention, APCC, in its sole discretion, may engage the services of a veterinarian, may provide First Aid, administer medications or special diets or give other attention to the pet, and any and all expenses thereof shall be paid by the Owner.
